Carlos Machado
Division Administrator, Federal Highway Administration
380 Westminster Street, Suite 601
Providence, RI 02903

Dear Mr. Machado:

STATEMENT: As required by 23 U.S.C 167(g), and other pertinent Federal regulations, the following table identifies critical freight corridors in accordance with the current FHWA guidance covering the designation and certification requirements. On June 8, 2017, the Rhode Island State Planning Council, which is designated as the Metropolitan Planning Organization for the State of Rhode Island, authorized the submittal of this letter.

CRITICAL RURAL FREIGHT CORRIDOR CERTIFICATE

I hereby certify that the public roads listed in the table below meet the requirements of 23 U.S.C. 167(e) as designated CRFC routes and connectors.

I further certify that the length in centerline mileage is accurate and does not exceed the maximum mileage limit, that the designated freight corridors have been coordinated with the appropriate stakeholder groups, and (as of December 4, 2017) that the freight corridors have been, or will be incorporated into the State Freight Plan prior to FHWA authorizing the use of Federal funds.

CRITICAL URBAN FREIGHT CORRIDOR CERTIFICATE

I hereby certify that the public roads listed in the table below meet the requirements of 23 U.S.C. 167(f) as designated CUFC routes and connectors.

I further certify that the applicable consultation requirements under 23 U.S.C. 167(f)(1) or (2) have been satisfied.
