Re: Middletown FFY 2018-2027 TIP submission

Dear Mr. D'Alessandro,

Enclosed I am providing Middletown's application cover sheet and project priority list for the FFY 2018-2027 Transportation Improvement Program (TIP). The town is requesting that all local projects be carried forward as contained in the current TIP and recommended by RIDOT. Each of these projects will provide significant enhancement to Middletown's and Aquidneck Island's transportation system. Several of the projects were included as recommendations of the Aquidneck Island Transportation Corridor Study.

Please feel free to contact me with any questions.

Sincerely,

Ronald M. Wolanski, AICP
Director of Planning & Economic Development
