9005	Transportation Alternatives	East Main Road Shared Use Path - Hedly St to Enterprise Drive	East Main Road (RI-138) corridor, from Turnpike Rd to Hedley St, including signal improvements to the intersections of Union Rd and Sandy Point Rd at East Main Road.	2021	2021	Non-Bridge

- Where shown: NA = Not Applicable (project is not in Current 17-25 STIP or not funded in DRAFT FFY 18-27 STIP)
- Funded years: Projects with initial funded year listed as 2017 in the Current FFY 17-25 STIP column and the earliest funded year listed as 2018 in the Draft 18-27 STIP column represent projects that will begin in FFY 2017 and continue into future years.
- Bridge Group: Rhode Island has followed FHWA best practices by grouping bridges into corridors of work. These corridors of work are identified as bridge groups. Initial and earliest funding years represent the year work is anticipated on the bridge group as a whole; individual bridge start dates may vary.

- Where shown: NA = Not Applicable (project is not in Current 17-25 STIP or not funded in DRAFT FFY 18-27 STIP)
- Funded years: Projects with initial funded year listed as 2017 in the Current FFY 17-25 STIP column and the earliest funded year listed as 2018 in the Draft 18-27 STIP column represent projects that will begin in FFY 2017 and continue into future years.
- Bridge Group: Rhode Island has followed FHWA best practices by grouping bridges into corridors of work. These corridors of work are identified as bridge groups. Initial and earliest funding years represent the year work is anticipated on the bridge group as a whole; individual bridge start dates may vary.
